Good Shepherd School Production The Toyshop on Zip Zap Avenue

Thank you for your patience in the postponement of our much-anticipated school production. The parish team has been working very hard to repair the damage to the ceiling above the stage area and are hopeful that this will be completed in the next few weeks. At the moment we are looking at **Wednesday 20th** and **Thursday 21st June** as the most likely timing for the show and will be working towards these dates. We will let you know immediately if there is any change in the situation. Meanwhile – tickets are still on sale for the two evening performances and the one matinee!

Parish/School Mass for Term 2

Please remember to put **Sunday 1 July at 2pm**, when a number of our children will be making their First Holy Communion, in your diaries. This will be our parish/school Mass for the term, when we all come together to celebrate the Eucharist.

Attendance Dues

Just a reminder that if you are paying your school account by term instalment, the instalment for term 2 is due this week.

Holey Fathers Working Bee Saturday 23 June from 1pm

The Good Shepherd dads are doing it again! They are coming along after Saturday morning sports on 23 June to help keep our school beautiful and to do some much-needed maintenance work around the site. We are hoping that this will be a joint working bee with the parish so that we can complete some of the big jobs for both the parish and the school. Please come along - everybody is welcome and it's a great opportunity to get to know other people in our community. Contributions for afternoon tea to say 'thank you' for their hard work are also very welcome.

Tomorrow's Schools Review

The government has invited input from everybody – children, young people, parents, teachers, employers, iwi, families and whanau - to have a conversation about building not just a better education system in New Zealand, but the world's best. The Ministry of Education has set up a website, www.conversation.education.govt.nz, with an online public survey and a hashtag for promoting the discussion on social media, #EdConvo18. This is your chance to have your say on the future of New Zealand education, for all our children and young people, for the next 30 years or more.

ASB GetWise Programme

This week a facilitator from the ASB GetWise financial literacy programme visited every classroom. These workshops were tailored to the needs of the particular age groups and key financial literacy concepts were delivered in an engaging and entertaining way. There are some great online support materials available for parents to use with their children at home to teach your children lifelong money skills:
