The **St Peter's Primary Schools' Music programme** welcomes students of all abilities and is suitable for students from **Year 3 and above**.

This programme would benefit students who may be considering enrolment at **St Peter's College, Baradene College, Sacred Heart College, Marist College, St Mary's College**, or any other secondary schools with a similar music programme in the future.

Our lessons are set up to allow students to play and perform in an ensemble setting as we strongly believe that the benefits from participating in an ensemble are innumerable. Our lessons also include theory and aural skills throughout the year.

Research has shown that learning music at an early age facilitates learning in other subjects and enhances skills that children use in other areas (academically and socially).

Our lessons are half hour sessions and will be held after school on **Thursdays** between the hours of **3pm - 5:30pm**.

Cost: \$20 group of no more than 4 students / \$30 Individual lesson

We would be more than happy to help and advise with the choosing of an instrument for students as well as instrument hire.
